

Bridging Ages: Strategic Plan 2023-2025

Background

Kalmar county museum, Sweden developed the Time Travel method in the mid-1980s. In September 1999, Kalmar County Museum organized the first Time Travel event in another country, Finland. Followed by USA and the Åland Islands shortly thereafter.

In 2004, Bridging Ages' first conference/ symposium took place in Vimmerby, Sweden. In 2007, in Tukums, Latvia, it was decided Bridging Ages would transform into a formal organisation, with constitution, board, office etc. Bridging Ages remains a non-governmental organisation in 2020 with the head office at Kalmar Läns Museum. It continues to promote the Time Travel method in more than 20 countries with annual Bridging Ages international conferences taking place in, and hosted by, a different country each year.
